## Chapter 1 by Broox young

### Prologue

When the world was new the eleven Gods lived together in harmony. Each god had their own people. The God Beldis, The Eldest and kingw of the eleven, was beloved by the Elcranarchs.

Beldis was both the father and king of the gods. The youngest of his kin was the Goddess Talmec. He dwelt "The City of Rain and Night" where his people, the Andrahec's, dwelt with him. The Goddess Telmec was jealous of her father and attempted to steal the Staff of Beldiserin, but no god or mortal besides Beldis and the royal family of the Elcranarchs could touch the great Staff of Beldiserin for the magic was to great and intertwined in the royal family that one will get unmade in the universe itself. For Talmec killed the royal family of the Elcranarchs and tried to steal the great staff, and it came to pass that the universe did not want to unmake her daughter, so she instead burned the arm of the Goddess who tried to steal the Great Staff, and put the great goddess to sleep until the time came for her to awaken and either rule the world, or be killed. For at some point the royal family will return and the great king of the Elcranarchs will wield the staff once again
